Unemployment Insurance Fraud

Unemployment insurance fraud rings often target New Yorkers who are employed and not collecting UI benefits because those individuals are less likely to have an active claim per the Department of Labor: <https://dol.ny.gov/report-fraud> NYS has received more fraudulent claims in the last year than they have received in the last 29 years combined.

Victims of unemployment fraud who are Security Mutual Policy Holders can call a Specific-to-Security Mutual toll-free number for CyberScout.
