### *New Dog Breed Legislation Effective Today*

- The new legislation prevents carriers from canceling, declining, or nonrenewing a risk SOLELY based on dog breed
- We have posted a new dog questionnaire on our website:  
<https://ax.securitymutual.com/agent/assets/Dog%20Questionnaire%20Ithaca%20Albany-2.pdf>
- If you, as the agent, are not comfortable with a dog, regardless of breed, because it displays vicious propensities or aggressive behavior, please call as we are the common sense carrier and will continue to work with our agents as this situation evolves.

**This will continue to change as we have more experience with this new legislation.**
